PART 1430—SUGAR

DISTRIBUTION OF DIRECT CONSUMPTION
SUGAR

The fulfillment of requirements for the defense of the United States has resulted in a shortage in the supply of sugar for defense, for private account, and for export, and the following order is deemed necessary and appropriate in the public interest and to promote the national defense:

§ 1430.8 *Restrictions on the distribution of direct consumption sugar*—(a) *Definitions.* (1) "Sugar" means any grade or type of saccharine product derived from sugarcane or sugar beets, which contains sucrose, dextrose, or levulose, including any sugar principally not of crystalline structure which contains non-sugar solids (excluding any foreign substances that may have been added), equal to six percentum or less of the total soluble solids. The term "sugar" shall not include syrup of cane juice, produced from sugarcane grown in the 48 States or the District of Columbia.

(2) "Direct consumption sugar" means any sugar which is not to be further refined or otherwise improved in quality.

(3) "Primary distributor" means any person who manufactures direct consumption sugar, or who imports or brings direct consumption sugar into the 48 States or the District of Columbia for distribution therein.

(4) "Quota period" means any period of time for which the Director has established a quota for the delivery of direct consumption sugar by a primary distributor.

(5) "Person" means any individual, partnership, association, business trust, corporation, or any organized group of persons whether incorporated or not.

(6) "Director" means the Director of Marketing Services, War Food Administration.

(b) *Deliveries.* (1) No primary distributor shall, during any quota period, deliver or offer to deliver direct consumption sugar in excess of his quota for such period.

(2) The delivery of direct consumption sugar by any primary distributor during any quota period, in excess of such distributor's quota for such period, shall be charged against such distributor's quota for any subsequent quota period and shall also subject such distributor to such other action or proceedings as may be prescribed by law.

(c) *Quotas.* (1) The Director is authorized to establish, adjust, revise, and, subject to applicable procedure, suspend or revoke quotas for the delivery of direct consumption sugar by any primary distributor. In establishing quotas, the Director shall take into consideration (i) the primary distributor's deliveries of direct consumption sugar during previous periods, (ii) the total amounts of sugar available for distribution, (iii)

the requirements of particular areas of the United States for direct consumption sugar, and (iv) any other facts which the Director may deem material.

(2) The Director may establish separate quotas as between deliveries for civilian consumption and deliveries to governmental agencies, direct or indirect.

(d) *Transfer between branches, departments or plants.* The transfer of direct consumption sugar between units, departments, branches, plants, or companies owned, controlled, or directed by the same person but engaged in separate activities as primary distributors, refiners, or manufacturers of products containing sugar, shall constitute delivery within the meaning of this order.

(e) *Records and reports.* (1) The Director shall be entitled to obtain such information from and require such reports and the keeping of such records by, any person, as may be necessary or appropriate, in his discretion, to the enforcement or administration of the provisions of this order, subject to the approval of the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

(2) Every person subject to this order shall, for at least two years or for such other period of time as the Director may designate, maintain an accurate record of his transactions in direct consumption sugar.

(f) *Existing contracts.* The restrictions of this order shall be observed without regard to existing contracts or any rights accrued or payments made thereunder.

(g) *Audits and inspections.* The Director shall be entitled to make such audits or inspections of the books, records and other writings, premises, or stocks of sugar of any person, and to make investigations as may be necessary or appropriate, in his discretion, to the enforcement or administration of the provisions of this order.

(h) *Petition for relief from hardship.* Any person affected by this order who considers that compliance herewith would work an exceptional or unreasonable hardship on him may file a petition for relief with the Order Administrator. Petitions shall be in writing and shall set forth all pertinent facts and the nature of the relief sought. The Order Administrator may take any action with reference to such petition which is consistent with the authority delegated to him by the Director. If the petitioner is dissatisfied with the action taken by the Order Administrator, he may, by request addressed to the Order Administrator, obtain a review of such action by the Director. After said review, the Director may take such action as he deems appropriate, which action shall be final.

(i) *Violations.* Any person who violates any provision of this order may, in accordance with the applicable procedure, be prohibited from receiving, making any deliveries of, or using sugar. Any person who wilfully violates any pro-

vision of this order is guilty of a crime and may be prosecuted under any and all applicable laws. Civil action may also be instituted to enforce any liability or duty created by, or to enjoin any violation of, any provision of this order.

(j) *Delegation of authority.* The administration of this order and the powers vested in the War Food Administrator, insofar as such powers relate to the administration of this order, are hereby delegated to the Director. The Director is authorized to redelegate to any employee of the United States Department of Agriculture any or all of the authority vested in him by this order.

(k) *Communications.* All reports required to be filed hereunder and all communications concerning this order shall, unless otherwise provided, be addressed to the Order Administrator, War Food Order No. 131, Sugar Branch, Office of Marketing Services, War Food Administration, Washington 25, D. C.

§ 1430.9 *Establishment of quotas for delivery of direct consumption sugar*—(a) *Definitions.* (1) "Sugar" means any grade or type of saccharine product derived from sugarcane or sugar beets, which contains sucrose, dextrose, or levulose, including any sugar principally not of crystalline structure which contains non-sugar solids (excluding any foreign substances that may have been added), equal to six percentum or less of the total soluble solids. The term "sugar" shall not include syrup of cane juice, produced from sugarcane grown in the 48 States or the District of Columbia.

(5) "Authorized purchaser" means any person who delivers sugar or products containing sugar to a governmental agency, or who obtains sugar for export under a license issued by the Foreign Economic Administration.

(6) "Ration evidence" means any written instrument issued by a governmental agency evidencing the right of the holder to a specified amount of sugar to be delivered to such governmental agency or to an authorized purchaser for export, or to be used in manufacturing sugar-containing products for delivery to such governmental agency.

(7) "Person" means any individual, partnership, association, business trust, corporation, or any organized group of persons whether incorporated or not.

(8) "Director" means the Director of Marketing Services, War Food Administration.

- (3) Authorized purchasers;
- (4) Civilians.

No primary distributor shall, during any quota period, deliver or offer to deliver direct consumption sugar in excess of his quota for each type of consumer for such period.

(c) *April-September 1945 quotas.* The quota of each primary distributor for delivery to (1) War Food Administration, (2) governmental agencies other than War Food Administration and War Shipping Administration, (3) authorized purchasers, and (4) civilians, respectively, during the quota period April-September 1945, shall be the amount set forth opposite the name of such primary distributor in Appendix A attached hereto and made a part hereof (all amounts are stated in short tons, as delivered).

(d) *Deliveries to authorized purchasers.* Effective July 1, 1945, no primary distributor shall deliver direct consumption sugar to any authorized purchaser unless such authorized purchaser endorses and transfers to the primary distributor the ration evidence issued to such authorized purchaser.

Every primary distributor shall retain such ration evidence for submission to the Director upon request. No person shall be entitled to rely upon any such ration evidence if he knows or has reasonable cause to believe it to be false.

If the petitioner is dissatisfied with the action taken by the Order Administrator, he may, by request addressed to the Order Administrator, obtain a review of such action by the Director. After said review, the Director may take such action as he deems appropriate, which action shall be final.

(g) *Violations.* Any person who violates any provision of this order may, in accordance with the applicable procedure, be prohibited from receiving, making any deliveries of, or using sugar. War Food Administration,
Summary to WFO-131, 131-1.

The War Food Administrator announced today the issuance of War Food Order 131 providing for control of dis-

tribution of sugar by cane sugar refiners, beet sugar processors, importers of direct-consumption sugar, and mainland direct-consumption cane sugar producers. The order is being issued to

limit sugar distribution to the quantities allocated during the period of shortest supply and maximum demand.

Under the order the Director of Marketing Services is authorized to fix dis-

tribution quotas for all primary distributors of sugar, as assurance that the distribution of sugar will be consistent with the allocations made by the War Food Administration to all claimants against our sugar supply. Such quotas will control the release of sugar by primary distributors. Sugar allocated for civilian use will continue to be distributed through the rationing regulations of the Office of Price Administration.

In accordance with the sugar allocations announced by the War Food Ad-

ministrator today, and under the authority of WFO 131, the Director of Marketing Services announced the issuance of War Food Order 131-1 establishing distribution quotas for primary distributors of sugar for the period April 1 to September 30, 1945. Under this Order, the total quantity of sugar for distribution in continental United States is divided among all primary distributors, and each distributor has a separate quota covering each of the following types of sales:

(1) To the War Food Administration (through Office of Supply, CCC),

(2) To government agencies other than WFA and WSA (through United States Army Quartermaster Corps Procurement),

(3) To authorized purchasers (which includes government food contractors, chandlers and jobbers for WSA ship supplies, and commercial exporters), and

(4) To U. S. civilians.

AMENDMENT TO WFO 131-1 AIMS TO IMPROVE CIVILIAN SUGAR DISTRIBUTION

(For Trade and Summary)

Secretary of Agriculture Clinton P. Anderson announced today that civilian distribution of sugar, particularly in Eastern areas where shortages are most acute, should be improved through a redistribution of 40,000 tons obtained through a reduction in military procurement. The action, taken through issuance of an amendment to War Food Order 131.1 which controls the flow of

sugar from refineries, does not increase the total amount of sugar allocated for civilian uses but is designed to assure more even distribution of available supplies.

The amendment provides for the redistribution of the 40,000 tons of sugar during the period July through September. This sugar will be processed by Atlantic and Gulf coast refiners and will go to sections of the country where supplies have been shortest in recent weeks.

In accordance with this action, April-September sugar quotas, originally issued June 12, have been revised by the Department of Agriculture as follows: For civilians, 2,650,643 tons (no change); for military procurement, 377,608 tons (reduced 39,680 tons); for Department of Agriculture procurement, 56,118 tons (up 200 tons); and for other authorized purchasers, including the War Shipping Administration, 244,493 tons (up 1,650 tons).

PART 1430—SUGAR

QUOTAS FOR DIRECT CONSUMPTION SUGAR

War Food Order No. 131-1, as amended (10 F. R. 7132, 8201, 9382, 11792), is further amended to read as follows:

§ 1430.9 Establishment of quotas for delivery of direct consumption sugar—

(a) Definitions. (1) "Sugar" means any grade or type of saccharine product derived from sugarcane or sugar beets, which contains sucrose, dextrose, or levulose, including any sugar principally not of crystalline structure which contains non-sugar solids (excluding any foreign substances that may have been added), equal to six percentum or less of the total soluble solids. The term "sugar" shall not include syrup of cane juice, produced from sugarcane grown in the 48 States or the District of Columbia.

(2) "Direct consumption sugar" means any sugar which is not to be further refined or otherwise improved in quality.

(3) "Primary distributor" means any person who manufactures direct consumption sugar or who imports or brings direct consumption sugar into the 48 States or the District of Columbia from any place other than Canada or Mexico, for the purpose of sale or transfer.

(4) "Governmental agency" means the Army, Navy, Marine Corps, or Coast Guard of the United States (including United States Army post exchanges, United States Navy ships' service departments, United States Marine Corps post exchanges, and similar organizations), United States Department of Agriculture (including any corporate agency thereof), Veterans Administration, War Shipping Administration, or any other agency of the United States designated by the Assistant Administrator).

(5) "Authorized purchaser" means:

(i) Any person other than a primary distributor who delivers sugar, directly or indirectly, to an exempt agency listed in section 16.5 of 2d Rev. RO 3 of the Office of Price Administration, or to Army Exchanges, Post Exchanges, Ships' Service Departments ashore of the Navy or Coast Guard, Commissary Stores, Ships' Service Departments of training organizations of the War Shipping Administration, and similar activities designated by exempt agencies;

(ii) Any person who delivers sugar, directly or indirectly, or products containing sugar to an agency entitled to replacement of sugar in products under General Ration Order 11 of the Office of Price Administration; or

(iii) Any person other than a Governmental agency who obtains sugar for export.

(6) "Ration evidence" means certificates, checks, coupons, and stamps which authorize the delivery of sugar under the sugar rationing regulations of the Office of Price Administration.

(7) "Person" means any individual, partnership, association, business trust,

corporation, or any organized group of persons whether incorporated or not.

(8) "Assistant Administrator" means the Assistant Administrator, for regulatory and marketing service work, Production and Marketing Administration, United States Department of Agriculture.

(b) Delivery restrictions. There are hereby established separate quotas governing the distribution of direct consumption sugar by primary distributors to three types of consumers, as follows:

(1) United States Department of Agriculture;

(2) Governmental agencies other than the United States Department of Agriculture and the War Shipping Administration;

(3) Authorized purchasers. No primary distributor shall, during any quota period, deliver or offer to deliver direct consumption sugar in excess of his quota for each type of consumer for such period.

(c) April-December 1945 quotas. The quota of each primary distributor for delivery to (1) United States Department of Agriculture, (2) Governmental agencies other than United States Department of Agriculture and the War Shipping Administration, and (3) authorized purchasers, respectively, during the quota period April-December 1945 shall be the amount set forth opposite the name of such primary distributor in Appendix A attached hereto and made a part hereof (all amounts are stated in short tons, as delivered).

(d) Deliveries to authorized purchasers. No primary distributor shall deliver direct consumption sugar to any authorized purchaser unless such authorized purchaser endorses and transfers to the primary distributor the ration evidence issued to such authorized purchaser. Every primary distributor shall retain such ration evidence for submission to the Assistant Administrator upon request. No person shall be entitled to rely upon any such ration evidence if he knows or has reasonable cause to believe it to be false.

(e) Existing contracts. The restrictions of this order shall be observed without regard to existing contracts or any rights accrued or payments made thereunder.

(f) Petition for relief from hardship. Any person affected by this order who considers that compliance herewith would work an exceptional or unreasonable hardship on him may file a petition for relief with the Order Administrator. Petitions shall be in writing and shall set forth all pertinent facts and the nature of the relief sought. The Order Administrator may take any action with reference to such petition which is consistent with the authority delegated to him by the Assistant Administrator. If the petitioner is dissatisfied with the action taken by the Order Administrator, he may, by request addressed to the Order Administrator, obtain a review of such action by the Assistant Administrator. After said review, the Assistant Adminis-

trator may take such action as he deems appropriate, which action shall be final.

(g) Violations. Any person who violates any provision of this order may, in accordance with the applicable procedure, be prohibited from receiving, making any deliveries of, or using sugar. Any person who wilfully violates any provision of this order is guilty of a crime and may be prosecuted under any and all applicable laws. Civil action may also be instituted to enforce any liability or duty created by, or to enjoin any violation of, any provision of this order.

(h) Communications. All reports required to be filed hereunder and all communications concerning this order shall, unless otherwise provided, be addressed to the Order Administrator, War Food Order No. 131-1, Sugar Branch, Production and Marketing Administration, United States Department of Agriculture, Washington 25, D. C.

(i) Territorial scope. This order shall apply within the 48 States and the District of Columbia.

(j) Effective date. This amendment shall become effective at 12:01 a. m., e. s. t., October 1, 1945. With respect to violations, rights accrued, liabilities incurred, or appeals taken, prior to said date, under War Food Order No. 131-1, as amended, all provision of said order shall be deemed to remain in full force for the purpose of sustaining any proper suit, action, or other proceeding with respect to any such violation, right, liability, or appeal.

NOTE: The record-keeping requirements of this order have been approved by the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

(E.O. 9280, 7 F.R. 10179; E.O. 9577, 10 F.R. 8087)
